InterKingdom Council Representative

From their Majesties

Heartfelt greetings from John and Alyna, King and Queen of the beautiful Griffin lands.

Wow! Much has happened since Our last letter!

Artemisia now has heirs to the Griffin thrones! Congratulations to Alan and Coresande, Crown Prince and Princess of grand Artemisia. Vivat! (Now, if We can just get them to do the happy dance....)

Also, Our congratulations to Mistress Agnes of Whitby for her victory in the first ever Kingdom of Artemisia Arts and Sciences competition! We would also like to thank all of the artists of This realm who contributed and entered their works of labor and love and proved once again that the more peaceful arts are alive and well and flourishing within These borders!

And now for the final stretch of the Royal Progress:
June 4-7 1000 Eyes Uprising (Yeah!)
June 20 Dael Beohrt Camping Quest
July 2-5 West Kingdom West-An Tir War (Her Majesty-tentative)
July 11 Twae Linnes Coronation (YEAH!)

It has been a joy to Us to meet and befriend so many people from This, the most glorious of Kingdoms. If We have learned one thing in Our travels, its this: Artemisia is huge! (Just like the smiles and hearts of the people who dwell within Its borders!)

In service to Our Kingdom, Its people, and the dream We all share, We remain,

John — Rex

Alyna — Regina

Kings Champion of Artemisia	Sir Basil der Dracke
Queens Champion of Artemisia	Lord Conrad von Zuberbuhler

Royal Chatelaine/Queens Privy Secretary	Baroness Elizabeth Cameron Campbell
Crown Herald	Master Don Niccolo

From their Royal Highnesses

Unto the People of Artemisia, Greetings from Alan and Corisande, Crown Prince and Princess of these Noble Lands.

We wish to thank all those kind gentles who sent Us letters and calls following Our victory at Crown Tourney. Your words and thoughts inspire Us with the Spirit of Artemisia. We hope to be worthy of your hopes.

Artemisia is a kingdom because of it's people, and so the thoughts and wishes of the people are of the utmost importance to us. Please let us know of your thoughts on ways to improve this fine thing called Artemisia.

Our Coronation is also Artemisia's first birthday! The Shire of Twae Linnes will be hosting Our Coronation. We would invite all of you to come and celebrate this birthday with Us. A fine time and place for a birthday party of Kingdom proportions. We hope to carry on during Our reign the same Dream of Camelot that Their Majesties John and Alyna have given all of Artemisia.

We would also like to solicit bids for the October Crown Tourney. Any groups interested in hosting this event, please feel free to contact Us. We do have a wonderful wizard scribe in the castle. He may be reached at earlalan@srv.net and he promises to give Us any messages that he may get. We do have one small request of you.

We will be traveling to Pennsic in August to see Our faire cousins of the Known World, and would like to present gifts to Our cousins that show the wealth of these lands. With that in mind We would ask for gifts from the artisans to give to other Royalty.

With hopes and dreams for Artemisia, We are in your service,

Alan Corisande

Crown Prince Crown Princess

The first birthday of the great Kingdom of Artemisia approaches fast, and with it the Coronation of Alan and Corisande. All people of these fine lands are most cordially invited to come to the festivities. All Artemisians in exile are particularly invited to this event, and all friends of Artemisia from other Kingdoms will find themselves welcome.

There will be birthday celebrations and a look back on our past as well as our future as a Kingdom. Any ideas for the birthday celebration can be forwarded to the autocrat and the Crown Prince and Princess. Let's make this a memorable event!

There are to be lots of entertaining pastimes available to the populace. Events, fun, and games will fill the weekend and the site is one of the most beautiful that you will ever see. A fitting backdrop for such an auspicious occasion. Naturally there will be tourneys, and showers (cold water) will be available for everyone. There are so many things on tap that this space does not permit the listing of all.

This is a *camping event* and ample area is available for the entire Kingdom. So let's all go to Twae Linnes for a good time and a great weekend. There will be a feast on Saturday, prepared by the chefs of Twae Linnes in true gluttony fashion.

continued>>

Site Fee: The fees are set by the park service, those who would enjoy a weekend with your Kingdom and its Royalty will be charged $8.00 for adults and $4.00 for children (under 12). This is for site and camping. There will be an additional charge for the feast, if you are so inclined.

Site: is the Emerson Pugmire Memorial Park (formerly called Niagara Springs Park) 9 miles south of Wendell Idaho in the beautiful Snake River Canyon. It is directly on the river so be prepared for your children's safety. The park is a grassy, tree covered canyon paradise, with plenty of shade, as well as wading areas. Bring charcoal and wood, as there are free standing barbecues and several fire pits. There are modern restrooms with running water and other modern facilities. Site is extremely wet, nigh on to drowning, some would say. Pets are welcome if they are leashed and cared for appropriately.

Site opens: Friday July 10 at noon and closes: Sunday July 12 at noon (or there abouts).

Feast: $7.00 and children under 12 are half price ($3.50)

Directions: Take I-84 to exit #157 at Wendell, Idaho. Go south toward the canyon (away from the town). Travel for approximately 9 miles and the road will turn and head down to your left into the canyon. Follow the road ahead for about a mile (heading east) and you will come to the entrance to the park. There is a park service booth in the center of the road and the Troll will be in the near vicinity. All fees will be handled by our troll, don't pay theirs. State that you are with the SCA and pass to our troll. The way will be adequately marked with signs from the Interstate to the site, follow the signs, its easy.

Feast reservations are respectfully requested by July 4th. If you have any questions about the planned feast or any special dietary concerns please feel free to contact the autocrat or feastocrat. If you don't have a reservation for feast, don't be upset if you don't get to eat, Please get your reservations in early.

Autocrat: Lord Ulric de Dalyhel (Jeff Webster) 208-326-4425, or email: claymore@cyberhighway.net

Co-autocrat: Master Khudkakhar the Bear (Chuck Davidson) 208-736-0651.

Feastocrat: Lady Sheelaegh MacCathail (Jeannie Warr) 208-734-7592, or email: jlwarr@magiclink.com

FROM THE SENESCHAL

Unto the populace of Artemisia does Baroness Agnese Canigiano send greetings:

The annual scheduling meeting will be held at Uprising. Each group is expected to provide representation at this meeting if they plan on holding events in the next year. Please work with your local seneschals to make sure they have all necessary information in hand to request event dates. Because of the many activities occurring at Uprising, I will not be able to set a time for the meeting until that weekend. The time will be available at check-in, and WILL be on Saturday. I will also be holding a Kingdom Officer's meeting and a local seneschal's meeting, times TBA.

You may have noticed changes to the Regnum. I have created several deputy positions to assist me in handling the bureaucratic functions of the kingdom. The purpose of regional deputies is to assess the health of the branches in those regions, monitoring population and officer compliance, and producing quarterly report cards. They will also be available to answer questions on the local level, and inform me of problems or concerns. Questions regarding new branch formation, or seneschal change-overs will be referred to the Deputy for New Branch Development. The Clerk of the Law will assist me in maintaining the Statutes, and advising the Crown on legal interpretation. I would like to take this opportunity to introduce the holders of these positions.

Because of mundane considerations, Sir Decker will be unable to continue as my Emergency Deputy. I would like to thank him for his work in preparing the Doomsday report, and "covering" for me during the birth of my son.

Lord Tor von Butterberg has consented to be my Emergency Deputy, and Central Regional Deputy. As Emergency Deputy, he will learn the day to day operations of my office, and be able to take over quickly, should the need arise. As Central Regional Deputy, he will oversee the needs and progress of the branches in Idaho and Wyoming.

Viscount Gareth ap Llewellyn has agreed to assume the duties of Southern Regional Deputy. As Southern Regional Deputy, he will oversee the needs and progress of the branches in Utah and Colorado.

Baroness Rachel Ashton will be the Deputy for New Branch Development. She will mail New Branch Information packets to newly incipient areas, and direct questions to appropriate officers. When local seneschals change, she will determine which reference materials are missing from their files, and supply them with those materials. When members desire to form new cantons or shires, they should contact Baroness Rachel for information on how to proceed.

Maestro Niccolo Gianfigliazzi Genovese has agreed to become Clerk of the Law. He will maintain the electronic document, and convey it to the Chronicler annually for publishing. He will also monitor the document for logical conflicts, inconsistencies, and loopholes. Together, we will present these items to the Crown for possible action.

I am still looking for a candidate for Northern Regional Deputy. If you are interested, please contact me as soon as possible.

In Service to Artemisia

Agnese

FROM THE CHANCELLOR OF THE EXCHEQUER

There will be an Exchequer meeting at Uprising. All Exchequers please plan on attending if not send your deputy or Seneschal. If no one is attending Uprising please contact me immediately. I need to talk with each branch to make sure polices are being followed according to Kingdom Law.

Kingdom Exchequer needs an official Drop dead deputy... I am in the last year of my warrant and plan to step down in March 1999, UNLESS forced to step down earlier do to health concerns. **As you can see by the boarder, if I die I will blow up the checkbook.** Address and phone number available in the Regnum in the front of the Sage.

THL Heather

FROM THE BOARD OF DIRECTORS

Susan Earley

Ladies and Gentlemen:

The Board of Directors of the SCA currently chooses its members from a list of nominees and past directors based on commentary from the membership and its current needs. The Grand Council has drafted an 'Election Proposal' as a possible replacement of the current system, describing how the Board of Directors might be directly elected by the membership of the SCA.There are a few variants to this proposal also available as addendums. The Board would like to hear commentary on this proposal and any variants before deciding whether to implement it.

The text of this proposal and the variants can be obtained from the SCA web page at http://www.sca.org under Board of Directors, [text of item]. For those not internet-enabled, the proposal can be obtained from the Corporate Office by sending a SASE and a note to send back the 'Election
Proposal'. Commentary on the proposal should be received by the Board of Directors at the Corporate Office by Oct 1, 1998 to be considered. Thank you.

FROM THE SOCIETY ARCHERY MARSHALL

Position open for SCA Children's Archery Deputy

I want to fill a new position of SCA deputy for children's archery. The main purposes of the office would be to coordinate efforts and information in children's archery between the various kingdoms. To encourage its safe development. And to come up with some guidelines for children's archery at an SCA wide level.

The general requirements for the office would be: At least a good general knowledge of and experience in target archery. Experience in children's archery. Ability to handle
communications between kingdom officers and others regarding children's archery. Access to email.

If you are interested, please contact me with a resume.

UPRISING XII

June 4th-7th, 1998 Ririe, ID

Barony of 1000 Eyes

A call to arms!! Their Excellencies, William and Elizabeth, through their various sources have learned of a vile rebellion within Their barony. They therefore beseech all fighters, be they rapierists, archers, or armored combatants, to aid them in quashing the revolt of Their populace. (It is also rumored that these vile rebels are seeking mercenaries to their cause.) The site of the final battle that will determine the fate of the barony will commence at a location known as Mountain River Ranch, not far from Their Excellencies' seat of power. Above ground fire pits only are allowed. Also, those with small children, please be aware there is a river running nearby. **NO PETS of any type allowed.**

Deployment and bivouacking of the troops (as well as the various hangers-on associated with large armies) will begin Thursday, June 4th, at 2:00 p.m. Their Excellencies have declared that the issue shall be decided no later than Sunday, June 7th, at 4:00 p.m.

In addition to all the *fighting and revelry, a Laurel's Prize Tourney and Queen's Tea* will be held on *Saturday the 6th* at approximately 2:00 p.m. Also, for those who wish to learn the arts and sciences involved in a Laurel's Prize Tourney (for possible future competition) there will be *various classes* setup by Lady Lorraine. Some classes will have a small fee to cover the cost of materials involved. Classes so far include an enameling class, mid eastern cooking class, and a boffer construction class for children ages 7 and up. Any others who wish to teach a class, please contact Lady Lorraine.

Equestrians of this fine Kingdom, pay heed! On Friday, June 5th equestrian competitions will be held. Ring Tilt, Enemy Heads, the Quintaine, and other feats of equestrian skills will be tested. Please contact the Equestrian Autocrat, Lord Wilhelm von Adlersheim for further details. There will be a $15.00 per night stabling fee for each horse.

Lord James the Wise and House Dragon will be doing a quest again this year. There will be a couple different prizes, one of which will be a chair made by Lord James. (This chair is like the one given away last year.) There will also be a prize given away for a random number of points, which will be chosen before the quest starts. Any who are interested in participating in the quest can obtain more information at troll point when you arrive on site.

As always, volunteers are needed in all areas. Anyone who is interested in volunteering ahead of time can contact the Volunteerocrat ahead of time and have your pick of shifts. There will be raffle for all of the volunteers. Tickets for the raffle will be available at Uprising.

The owners of Mountain River Ranch will be operating an inn for any who wish to purchase lunch or dinner. Lunch will be hamburgers and dinners your choice of BBQ Chicken or BBQ Steak. Sides will be served with each meal. Lunch is $4.50, dinner is $9.00 for chicken or $11.00 for steak. Reservations need to be made for dinners. Call (208)5387337 for dinner reservations. No reservations necessary for lunch. They will also be selling soda pop, beer, ice and other sundry items.

Merchants hoping to profit from this conflict are, as usual, welcome. Due to the inn being operated by the owners, no food merchants please. Please contact Lord Roberto for more information.

The tribute necessary for participation in this conflict is $15.00 in the local coin of the realm.

Artemisia's First Kingdom Arts & Sciences

On May 9, the Shire of Cote du Ciel hosted the first Arts and Sciences Competition held since Artemisia became a Kingdom. Opening Court was held in the early afternoon, during which all the participants and judges swore a sword oath. King John said he was there to learn something that day and hoped others were too.

The competition began immediately following Court. Rapierists and heavy-suit fighters also found time to spar. A great variety of categories were represented. Performing artists presented their works in the auditorium. Dame Bronwen of Irenwold taught a class on sideless surcoats. The judges and scorers spent all afternoon and on into the dinner hour in some cases judging and scoring the many entries. Boardgames were set out for the amusement of the populace. Many folk looked at the entries exhibited and found other ways to while
away the afternoon.

The university catered a feast consisting of vegetable soup, rolls, baked chicken, rice pilaf, green beans almondine, cranberry juice, and apple pie. Folk from Cote du Ciel served Head Table; the rest of the diners served themselves buffet style. Following the feast, a bag raffle was held.

Late in the evening Court reconvened. King John said he had only 2 words for what he'd seen that day: "Beautiful stuff!" Three cheers were raised for all the artisans who competed that day. Baron Tyndall said the Kingdom Chirurgeonate now has 7 members; he plead for more. A number of Awards of Arms were given, most to folk from Cote du Ciel. Her Ladyship Heather of Arn Hold announced she needs a "drop dead deputy", who will eventually be able to take over her duties as Kingdom Exchequer. Viscountess Courtney, as Precedence Herald, reminded folk that herald's reports of all courts need to go to her, correctly spelled please!, within a month of the court being held. Lady Lynette Huntingdon (CoCi) received a Grant of Arms. Lady Heidi of Cote du Ciel and Lord Arkasha L'vovich, (both CoCi) both received Kingdom Pillars of Artemisia.

All members of the Chivalry were called forward, and then Lord Iain MacLeod (SEK) was called before the King who asked if he would accept Knighthood from his hand at Uprising. Lord Iain said he would.

Lady Tireachan MacPherson, last year's Champion, came forward and returned the chain of A's which is the Champion's regalia. Mistress Rowena, as Kingdom M.O.A.S., then announced the results. She began by saying Artemisia has the best artisans in the Known World. She thanked all participants and judges. Those who had entered but not gone for Champion were then announced, each with their masterpieces, superior, exceptional, and notable placings plus any "Lord or Lady of ..." titles. Two children had entered the Children's competition, which was judged by the same rules as all the other entries. Katerina of Cote du Ciel was proclaimed the Children's Champion, and also Lady of Lace, for her lace bookmark. Mary, the other entrant in the Children's Division, received an Exceptional in Fine Arts, Drawing, and the Queen's Choice award, which included red roses.

Mistress Rowena then read the names of 7 of those who had gone for Champion. Baron William Wylde was also named Lord of Horn, Lord of Bone, and Lord of Amber- Working. Master Jurgen Von Lowenburg was also named Lord of Metalwork and of something else. (My apologies; I can't write as fast as Mst. Rowena talks!) Baroness Elizabeth was also named Lady of Cooking and Lady of Alcheym. Lord Wilhelm von Adlersheim was also named Lord of Fiction Writing and Lord of Fief- Holding Arts. Lady Bronwen Morgan also was named Lady of Court Costume. Lady Gwendolyn aet Faegerleah was also named Lady of Tourney Costume, Lady of Accessories, Lady of Toys, and Lady of Tools. Lady Varia Goffe also tried for Champion.

The Populace Choice award went to Her Ladyship Lynette Huntingdon. Second place, called "Reserve Champion," went to Baron William. The Judges' Choice went to Lord Iain, for his bed. Then named as Champion was Lady Agnes of Whitby (AH). She knelt to receive the Champion's Chain of A's, and then was asked to remain while all the Laurels came forward. Lady Agnes was then offered membership in the Order of the Laurel. She accepted and was immediately inducted. The ceremony included having her hands washed, and being dubbed for "beauty," "inspiration," and as Laurel.

Earl Alan then announced a "party" in July, to be held in Twae Lnnes. A "soft rocks tourney" for children and all those young at heart will be held there on Sunday. Details to follow. Court then adjourned, to be followed by dancing to live music provided by the Loch Salann Musician's Guild.
